

## LAXATINE.

THE KIND YOU HAVE ALWAYS bought has borne the signature of the Western Chemical Co. of Chicago, Ill., for years. Allow no one to deceive you with counterfeits. Imitations and "just as goods" are but experiments, and endanger the health of children.

### What is Laxatine?

LAXATINE IS NOTHING BUT THE FINEST CASTOR OIL, with its objectionable taste removed by our new process. LAXATINE is as pleasant to take as honey. Children like it. No trouble to get them to take it. It contains neither opium, morphine, nor other narcotic substances. It relieves teething troubles, cures constipation and flatulency; it assimilates the food, regulates the stomach and bowels, giving healthy and natural sleep.—The Children's Panacea—the Mothers' Friend.

Prepared only by the Western Chemical Co., Chicago, Ills.

Judge Perry has signed the decree in the case of the Makee Sugar Company vs. Tuck Chew ordering that the defendant deliver up his counterpart of the lease of July 1, 1894, for modification in accordance with the plaintiff's counterpart of said lease as modified on September 11, 1894, and that said defendant execute said lease as modified. Lunallilo, have brought a suit in ejectment against Haleakala, Adam Kaao Hinou, Chun Yet and Yee Chu Fan, claiming that the defendants have taken into their possession a tract of land situated on the makai side of Beretania street, in this city, being a portion of the Barracks block so-called, containing an area of 9,060 square feet.

WANT HUNTER RECALLED.  
JORNSONATE, Salvador, Sept. 25.—Many members of the American colony in Guatemala are incensed against Minister Hunter, whom they accuse of neglecting American interests and claims. A petition asking Secretary Hay to recall Minister Hunter already has 267 signatures of Americans attached to it, and the number is daily increasing. President Cabreba interfered in the matter, arousing much indignation among the Americans, who regard the interference as uncalled for on a subject which concerns only Americans citizens and their Government.

FISHERMAN FOUND ADRIATIC.  
SAN MATEO, Sept. 20.—An Italian fisherman drifted into this bay late this afternoon in a semi-conscious condition and refused to give his name or any information concerning himself other than to say that he was a fisherman and left Sausalito three days ago and has been drifting ever since. He is heavy set, about 45 years of age and wears a blonde mustache. He was offered shelter for the night, but he refused to come ashore, saying he would remain out in his boat all night and strat for home as soon as the fog raised.

DREYFUS IN RETIREMENT.  
CARPENTRAS, Department of Vaucluse, France, Sept. 21.—Former Captain Dreyfus arrived here this morning and went to the home of M. Valabroigne, his brother-in-law. Although the arrival of Dreyfus was soon known no demonstration occurred. Mme. Dreyfus is expected here tonight.

While Dreyfus' health does not permit of his receiving visitors, it is hoped the climate will restore his strength during the next few months, which he is expected to spend here.

EXTENSIVE STRIKE PROBABLE.  
BUFFALO, Sept. 24.—Between 3,000 and 4,000 marine engineers on the Great Lakes will probably go on strike tomorrow, unless the Lake Carriers' Association grants a 12½ per cent advance in wages.

Saturday the National Marine Engineers' Beneficiary Association served notice on the carriers that unless the advance were granted by noon Monday, the men would go out. Such a strike, it is said, would tie up lake commerce as tight as a December blizzard.
